

Easy Memoir Business Plan

Prepared: January 2026 Version: 1.0

Executive Summary

Easy Memoir is an AI-powered autobiography platform that helps seniors and families preserve life stories through natural conversation, transforming memories into beautifully written, printed books.

The Opportunity

- 12 million people aged 65+ in the UK
- Growing demand for meaningful, personalised gifts
- No writing skills required - just talk
- Emotional value far exceeds production cost

Business Model

Sell physical gift boxes on Amazon (£99) that include access to the digital platform and a printed hardcover book. Revenue expands through upsells (extra book copies, audiobooks).

Financial Summary

Metric	Value
Initial Investment	£3,000
Break-even	39 sales
Gross Margin	68%
Year 1 Target	1,000 sales
Year 1 Revenue	£114,000
Year 1 Profit	£50,000+

Product Overview

What is Easy Memoir?

Easy Memoir is a web-based platform that guides users through creating their autobiography using AI-powered voice interviews. The platform:

- Captures stories** through natural conversation (voice or text)
- Organises memories** into 10+ life chapters with 70+ guided questions
- Enhances writing** using AI to transform casual speech into polished prose
- Builds a memory graph** connecting people, places, and events
- Produces tangible outputs** - printed hardcover books, eBooks, and audiobooks

Core Technology

Component	Technology
Frontend	React, Vite, TailwindCSS
Backend	Node.js, Express, PostgreSQL
AI Engine	Grok (xAI) for interviews and content enhancement

Voice	xAI Realtime API, Fish.audio for audiobooks
Payments	Stripe
Print-on-Demand	Lulu API (transitioning to Amazon KDP)
Hosting	Render.io

Product Status

- **Stage:** Beta / MVP with production features
- **Domain:** easymemoir.co.uk
- **Current Users:** Early adopter phase (first 100 free)

Market Analysis

Target Market

Go-to-Market Strategy

Launch Approach

Pre-launch list building → Direct launch on Amazon + website

We will skip Kickstarter due to 60% failure rate and fulfillment complexity. Instead, build a warm audience before launch.

8-Week Launch Plan

Phase 1: Pre-Launch (Weeks 1-4)

Goal: 1,000+ email subscribers, 100+ £1 deposits

Tactic	Details	Budget
Lead magnet	"50 Questions to Ask Your Parents" PDF	£0
£1 reservation	Reserve early-bird discount	£0
Landing page	Countdown, emotional copy, sneak peek	£50
Facebook ads	Target 45-65, genealogy interest	£500
Referral program	"Share to unlock bonus cards"	£0

Phase 2: Social Proof (Weeks 3-5)

Tactic	Details	Budget
Beta testers	5 friends/family complete memoirs	£0
Testimonial videos	Film real reactions, unboxing	£100

Micro-influencers	3-5 family/genealogy creators	£200
-------------------	-------------------------------	------

Phase 3: Launch Week (Week 6)

Launch on Tuesday, 7-10 AM (optimal timing)

Day	Action
Day 1	Email £1 depositors: "Claim your discount NOW"
Day 1	Go live on Amazon
Day 2	Email non-depositors with smaller offer
Day 3	Push Facebook/Instagram ads
Day 5	Scarcity email: "Only 30 boxes left"
Day 7	Last chance: "Price increases tomorrow"

Phase 4: Scale (Weeks 7-8)

Channel	Action	Budget
Amazon PPC	Target memoir/gift keywords	£300
Facebook	Scale winning creatives	£500
Retargeting	Website visitors who didn't buy	£200
PR	Pitch to local press	£0

Marketing Channels

Primary Channels

1. Facebook/Instagram Ads

- Target: Ages 45-65, interests in genealogy, family gifts
- Creative: Mix of static images (60%) and UGC video (40%)
- Budget: £300-500/month ongoing

2. Amazon Advertising

- Sponsored Products targeting memoir/gift keywords
- Seasonal pushes for Mother's Day, Father's Day, Christmas

3. Content Marketing (SEO)

- Blog posts: memoir prompts, family history tips
- Target keywords: "gifts for elderly parents", "how to write life story"

Secondary Channels

4. Partnerships

- Retirement communities
- Estate planning solicitors
- Hospice care organisations

5. PR/Media

- Human interest stories for local newspapers

- "Tech helping seniors" angle for BBC/Guardian

6. Referral Program

- Include referral cards in every shipped book
- "Give £20, Get £20" mechanic

Advertising Creative Strategy

Format	Usage	Budget %
Static images/carousel	Direct response, conversions	60%
UGC video (15-30 sec)	Awareness, social proof	30%
Polished brand video	Retargeting	10%

Video Requirements:

- Subtitles mandatory (85% watch without sound)
- 4:5 aspect ratio
- Hook in first 3 seconds
- Show outcome (grandkids reading book), not process

Risk Analysis

Key Risks and Mitigations

Risk	Likelihood	Impact	Mitigation
Low initial sales	Medium	High	Pre-launch list reduces cold start
Amazon account suspension	Low	Critical	Follow TOS strictly, diversify to website
AI quality issues	Low	Medium	Human review before print
High customer support load	Medium	Medium	Self-service guides, video tutorials
Competitor entry	Medium	Low	First-mover advantage, voice differentiation
Seasonal dependency	High	Medium	Build recurring revenue, expand occasions

Contingency Plans

If sales are slow (< 20 in first month):

- Increase ad spend on best-performing creative
- Add lower price point option (£59 digital-only)
- Partner with retirement community for bulk trial

If costs exceed projections:

- Reduce box contents to essentials
- Shift more sales to direct website (avoid Amazon fees)
- Delay audiobook feature development

Conclusion

Easy Memoir addresses a genuine emotional need - preserving family stories for future generations. The gift box model solves the "who pays" problem by targeting adult children as purchasers, while the AI-powered platform removes the writing barrier for seniors.

With a modest £3,000 investment and break-even at just 39 sales, the business model is low-risk with significant upside. The combination of Amazon distribution, pre-launch list building, and strong unit economics creates a sustainable path to profitability.

Next Steps:

1. Finalise gift box design
2. Order initial inventory
3. Build gift redemption system
4. Launch pre-launch campaign
5. Execute 8-week launch plan
